3 Operations

Answering a Call

An incoming call is indicated by a ringing tone. You can answer the call by doing following:

- Press the **SPEAKER** key on the base or handset to answer the call.

Making a Call

Dialing with the Keypad

- Enter the telephone number with the alphanumeric keypad and the call will start automatically.
- Press the **SPEAKER** key again to end a call

Using the service dial keys

You can use the 4 pre-assigned service dial hotkeys, to configure the most commonly dialed numbers. Use the function to dial a number quickly, instead of keying in a complete number.

To call a number using speed dialing, follow the steps below:

- Press the service dial hotkey that has been pre-assigned to the phone number and the call will start automatically.

Mute a Call

You may need to mute MIC temporarily during a call, do one of the following:

- Press the **MUTE** key on the phone to mute the microphone.
- Press the **MUTE** key again to resume microphone.
