Front View

	Name	Description
1	Ring Indicator	A red light indicator means that you have incoming calls

3 Installation

The following illustration shows how to install the phone and stand.

4 Operation

Answering a Call

An incoming call is indicated by a ringing tone and a flashing indicator at the top of handset and base units. You can answer the call by doing one of the followings:

- Pick up the **handset** to answer the call.

5 Support

To configure through the web browser, do the following:

- Ensure the phone is powered up and connected to a DHCP network.
- Pick up the handset and then press *112*113#, the IP address is announced by th phone.
- Open your browser (such as Chrome, Firefox, etc.) and type in the web address of the phone. For example, <http://IP.address.of.thePhone:8000>
- When the Web login front page is displayed. Enter the use name and the password and click **Login**. The administrator's user name and password are "**admin**" and "**1234**" respectively.
